

Denturist Needed – Portland Metro Area

Permanente Dental Associates (PDA) is looking for an experienced Denturist to join our Beaverton office. Permanente Dental Associates, P.C. is a professional benefit corporation owned, governed and managed by over 120 general dentists and more than 30 specialists. Since 1974, PDA has contracted exclusively with Kaiser Foundation Health Plan to operate and jointly manage the Kaiser Permanente Dental Care Program, unique to the Oregon and Washington regions.

Position Summary

Provide competent, high-quality prosthetic appliances to members that is aesthetically, phonetically and technically acceptable to the patient and PDA Peer Review. Provide aesthetic care to Kaiser Permanente Dental Care Plan (KPDCP) members within the Oregon and Washington State(s) Dental Board rules and regulations, and within KPDCP guidelines. Consistently exercise discretion and independent judgment regarding clinical aspects of prosthetic care. Works in consultation with prosthodontists, dentists, DOMs, PDs, and all other Health Plan and Permanente Dental Associates' personnel to assure high-quality member care. As a clinical leader, provides direct and indirect mentoring, supervision and feedback to clinical staff. As a professional leader, provides high quality care and serves as a responsible steward of resources.

Minimum 2 years previous experience as a licensed Denturist required. 4 years as a licensed Denturist in a group practice preferred.
